## DR. ALLEN TOWFIGH

---

DR. ALLEN TOWFIGH is Board Certified in both Neurology and Sleep Medicine, with proficiency in the evaluation and treatment of all adult neurological and sleep related disorders.

His primary specialty is **General Neurology** with expertise across a broad range of disorders including stroke, dementia, epilepsy, Parkinson's Disease, headaches and pain syndromes, neuropathies and gait disorders.

He also has a subspecialty in **Sleep Medicine** and routinely treats patients with sleep apnea, insomnia, circadian rhythm disorders and sleep related movement disorders.

### EDUCATION AND TRAINING

#### WEILL CORNELL MEDICAL CENTER/NEW YORK PRESBYTERIAN HOSPITAL

Fellowship - Neurophysiology & Sleep Medicine

#### GEORGETOWN UNIVERSITY

Medical Degree, Neurology Residency & Chief Resident

---

## OUR PRACTICE

---

As a full-service practice, we offer same-day urgent care, after hours, and remote tele-health visits.

Dr. Towfigh routinely discusses care and treatment plans with providers and family members to ensure effective coordination of care and improved outcomes.

We perform all of our procedures on-site and review results with our patients immediately.

Our dedicated Patient Care Coordinator routinely integrates treatment plans and services with our network of social workers, therapists, and ancillary service providers. We also arrange transportation for appointments.

### ON-SITE SERVICES

SAME-DAY RESULTS

EEG

EMG / NCV

CAROTID ULTRASOUND

TRANSCRANIAL DOPPLERS

---

## NETWORK PARTICIPATION

---

As an out-of-network practice, patients with commercial insurance plans are responsible for payment at the time of service.

Our office is a non-participating provider for all covered services under Medicare, therefore, patients are responsible for all fees at the time of service. Patients will be reimbursed directly by Medicare for any covered portions of their visit.
